

# ANN ARBOR *Litho Club*

FEBRUARY 2009

# How do you reduce make-ready time? Eliminate it!!

That is just what Timsons have done with their new Timson T48A ZMR "Zero Make-ready" press. The Timson ZMR press is capable

of changing forms on single color work without stopping the press. This eliminates make-ready time and significantly reduces waste.

By incorporating shaftless digital drive technology in a stacked arch design, the ZMR press is capable of changing plates on one unit while the other unit prints the current form.

In addition to zero make-ready, the ZMR press is also an exceptional two color press due to its short web lead between units. In two color mode, the press utilizes tool-less semi-automatic plate loading and unloading and the Timson QMR "Quick make-ready" sequence to change plates quickly and reduce make-ready time on two color printing.

In addition, all of Timsons newest machines come standard with a PC operator interface which aids the pressman with a graphic operator panel as well as remote diagnostics to support the customer.

Although Timsons continues to increase press speeds, the most important consideration in the short run book market is the reduction of make-ready time and waste. This new generation of a proven design is sure to change the way short run titles are produced!!

Timsons will continue to revolutionize the short-run web offset book market by maintaining their commitment to the best available technology – today!!

# ANN ARBOR LITHO CLUB

---

Volume 52, Issue 2

February 2009

Hello Everyone,

I am writing to you for the first time as your new club president. I have enjoyed getting to know many of you in the club over the past few years and it has been my pleasure to serve as your club secretary for the last two. I am honored to take on the role of president as the club celebrates its 50 year anniversary in 2009!

Speaking of presidents, it was great to see many of you at the annual past president's night in January! In addition to some great social time with long-standing regulars, there were a few new faces mixed in. The club presented our annual donation to the Ann Arbor Graphic Arts Memorial Foundation (AAGAMF) to support their scholarship fund. Jim Roth accepted the \$1,000 check and treated us to an update on the AAGAMF as he passed out their annual report.

Many members have recently expressed interest in "green printing" so we are continuing to provide meeting topics focused on this subject. On February 18th, Greg Johnson from Johnson Papers of Chicago will join us to discuss specialty tree-free papers, including one known as TerraSkin, which is made completely of stone.

On the evening of March 18th, we will host a panel to discuss green inks and coatings. I was recently asked "How do you print four-color process with green ink?" If this question and others are burning in your mind, please join us to find out the answer!

Finally, thank you for your dedication and support as club members! We want to continue to provide value to all of our members. If you have any suggestions for future meeting topics, please let us know. I look forward to continuing to serve you throughout the year!

Best wishes,  
Bill Wearne

# Ann Arbor Litho Club

## Board of Governors Meeting

**01.28.09 - Malloy**

Present: Bill Wearne, Beth Ledwidge, Craig Moeller, Denis Hyde, John Murrel and Peggy Kempf

Secretary's Report: Presented and approved

Treasurer's Report: Not Available

### Programs:

February 18th - Greg Johnson, TerraSkin Paper Presentation

March 18th - Panel on "green" inks and coatings

April 15th - Scholarship Awards and Publishers Panel

May 15th - Golf Outing

### Program Updates:

January, Past Presidents Night and High School programs had a good turn out.

February, Denis suggested putting an ad advertising "green printing" in the Spotlight section of the Ann Arbor News.

March, we still need to get a list of questions to Kris.

April, Kris is following up on Publishers Panel members and Bill will look into UMP for panel.

May, golf outing discussion is tabled until Feb when Scott can be present. Scott communicated that he is anticipating lower turnout.

### Other Business:

Scholarship: Updated forms. Huron High contact needs updating, Denis will obtain. Bill will write cover letter for packet and put packets together. Target mailing date of Feb. 6 was set.

Bill and Craig will come up with a proposal for the new ad structure and will present to the board.

2009 Budget reviewed, Craig broke down into category list for clarification and passed out sheets showing the breakdowns.

We discussed donation of high school

money. Suggestion to let Huron High know the Ann Arbor Litho Club supports high school programs & we award scholarships. Bill to send letter or email.

We discussed a discount for Western Michigan College students interested in attending February and March meeting. The price for their dinner would be \$10.00. We would also extend the offer to Ferris. We also discussed having the students do a presentation on what they are learning.

### Other:

Tours – Fall Fest-Craig suggested a Brew Pub Tour. We also discussed different tour options including recycling (in keeping with our green theme).

Discussed another breakfast meeting (November).

Discussed publication dates for the bulletin-Bill/Craig to discuss.

*6:35 meeting adjourned.*
